

Blue Prism Solution Designer Certification Overview

Document Version 1.2

Blue Prism Solution Designer (ASD01)

Blue Prism appreciates the importance of having a high-quality certification program to maintain the standards required for successful enterprise RPA delivery.

The Designing Blue Prism Process Solutions (ASD01) exam tests a candidate's understanding and appreciation of scalable, secure and efficient Blue Prism process solution design techniques and principles.

Exam Details

- 27 multiple choice questions randomly selected from a pool
- All questions of varying weight
- 60 minute exam*
- Pass mark 70%

*Candidates from countries where English is not an official language may be awarded an extra 30 minutes. Please see the Blue Prism Portal [FAQ](#) page for further details.

Scope

- Designing for unattended automation
- Sub-processes and wrapper objects
- Recoverability and scalability
- Object design
- Case management
- Workload management
- Data management
- Web services

Preparation

We would expect a candidate to have solid practical experience of designing multiple Blue Prism process solutions. To prepare for the exam it is advised that the candidate read and fully understand the following guides from the Blue Prism Portal under the Documents section and Blue Prism University LMS:

- Blue Prism - Solution Design Overview
- Work Queues Guide
- Blue Prism User Guide - Web Services or v6 User Guide - Web Services

Scoring and Timing

The Designing Blue Prism Process Solutions (ASD01) exam provides a series of detailed scenarios as well as short questions. Questions are multiple response with each correct response awarded a point. The first 5 questions are long scenario-based question and awarded double points. These first five questions represent 40% of the total marks and should take you around 25 minutes to complete.

Entry Requirements and Registration Procedure

To register for the Designing Blue Prism Process Solutions (ASD01) exam you will need to be in possession of Blue Prism Portal account and have successfully passed the Certified Developer (AD01) exam. A minimum of one month must elapse between a failed exam and an exam resit.

To register for an exam, please visit [Pearson Vue](#) directly.

For details of exam fees and accommodations please visit the [Certification Policies](#) page on the Blue Prism Portal, and review the BLUE PRISM CERTIFICATION - SITTING AN EXAM document
